

HHS CFBCI WEEKLY DIGEST FOR FAITH-BASED AND COMMUNITY ORGANIZATIONS
Friday, August 4, 2006

INFORMATION FOR FBCOs

Successful Strategies for Recruiting, Training, and Utilizing Volunteers Handbook

This handbook is designed for community groups and faith-based organizations seeking to maximize the skills of their volunteers, expand their services to the community, and enhance their effectiveness. Although the handbook focuses on prevention, treatment, and recovery services for substance abuse and mental illness, the principles described in the handbook can be applied to any field and should help organizations understand how to implement and manage a successful volunteer program.
